**UC Advantage, Inc. Acquires Employers Consulting Group**

Mission Viejo, CA October 1, 2006 – UC Advantage (UCA), a national unemployment consulting firm that provides employers with cost control solutions for taxable and non-taxable unemployment programs, has acquired Employers Consulting Group (ECG), a service provider with more than 25 years of experience managing unemployment claim programs and human resources consulting.

Jason Hynek, President and CEO of UC Advantage explains, "This acquisition enhances UC Advantage's nationwide presence, enabling more employers to benefit from our focused suite of comprehensive cost control solutions, including claims administration, hearing representation, charge auditing, tax services, training and more. We also welcome ECG's 350 current clients with streamlined, uninterrupted service and support.

Hynek added, "The move also demonstrates our commitment to responsible growth through acquisition as well as strategic alliances with outstanding providers of complementary employer support services. We are thrilled to work with ECG's experienced team, and look forward to the opportunity to service clients together."

**About UC Advantage, Inc.**

UC Advantage, Inc., (UCA) is a national unemployment consulting firm dedicated to helping employers control the administrative and tax-related costs associated with unemployment. UCA's comprehensive and proven unemployment cost control program provides employers with a complete outsourced solution for taxable and non-taxable unemployment programs. This expertise saves employers time and resources, enabling them to avoid costly unemployment pitfalls and focus on achieving their core business goals.
